**Sub :** Net metering of Solar Roof Top photovoltaic (SRTPV) installations –  
Regarding.

\*\*\*\*\*

**Preamble :** Consequent to improper billing of SRTPV installations with net metering at various sub-divisions and to bring uniformity in billing, it was instructed to forward the bills of SRTPV installations with net metering to EBC section for verification. Now SRTPV consumers are approaching this office complaining that their bills are not being processed for want of verification of bills by EBC section. In spite of repeatedly instructing to go ahead with processing of bills without waiting for verification/confirmation, the same is not being followed by the sub-divisional offices. Hence this official memorandum.

**Official Memorandum**

Billing in respect of SRTPV installations with net metering shall be done at sub-divisional offices with immediate effect as per the norms of KERC order duly marking a copy to EBC section for accounting purpose. Further statement in the prescribed format enclosed with this O.M shall be furnished monthly without fail.

  
**Chief Financial Officer**  
**CESC, Mysore.**
