INSTRUCTIONS TO APPLICANT

Applicants are requested to go through the following carefully and furnish the information correctly.

1. Applicant shall pay Rs. 250.00 as registration fee at the Cash Counter of the respective Division Office and produce the receipt at the time of registration.
2. Attested true copies or photostat copies of the following documents as applicable shall be enclosed along with the application
 - a) Proof of ownership of the premises or proof of occupancy.
 - b) General licence from the local authority, if such licence is provided for.
 - c) In case of a partnership firm, partnership deed
 - d) In case of a limited company, memorandum and articles of association and certificate of incorporation.
 - e) Proof of permanent residential address of the applicant and PAN No. if any.
 - f) An undertaking from the applicant stating that he will not engage child labour in his industrial / commercial installation and consent to disconnect power supply to the installation in case he employs child labour in violation of child labour act 1986.
3. There shall be no arrears due to CESC from any of the installations belonging to the applicant.
4. The applicant shall furnish the list showing the name plate details of machinery such as make, capacity and layout plan of the premises within which he intends to make use of the power.
5. The capacity of any individual machinery / equipment installed shall not be more than the contract demand.
6. The minimum contract demand shall be 25 KVA.
7. The necessity of production of the licence from the local authority is not required for an industry to be set up in an industrial estate established by KIADB/KSSIDC /KEONICS/ Other industrial estates approved by the Government of Karnataka.
8. After getting power sanction letter pay the required deposits and other amounts at CESC Cash Counter and produce the receipts along with completion report.
9. Submit the contractors completion cum test report along with the wiring diagram in duplicate.

10. Shall execute power supply agreement in triplicate as per KERC Conditions of supply of electricity of distribution licensees on Rs. 200.00 stamp paper in the prescribed format enclosed.
11. An undertaking on plain paper for having installed the Solar Water Heater to be given.
12. Shall execute an indemnity bond indemnifying CESC against any losses on account of dispute arising between the owner of the premises and the occupant.
13. In case the conditions as stipulated in the power sanction letter are not fulfilled by the applicant within the prescribed period the application for requisition of power supply will be treated as cancelled.
14. After intimation by the CESC to take up the service line work, the applicant shall commence the service line work immediately and complete the works within 90 days, failing which the application will be treated as cancelled. However, if the applicant requests for extension of time to complete the service line work the same will be granted.
15. It is mandatory on the part of the applicant to install BEE labelled Star Rated Transformers for availing power supply.
16. The servicing of the installation shall be carried out on production of the copy of the approval of his installation by the Electrical Inspectorate and also "test and commissioning certificates" of the equipments installed required by the CESC.
