3. This Office Letter No.: ಸೆಸ್/ತಾಂತ್ರಿಕ/3/29/2022-23/cys-604 ದಿನಾಂಕ: 27.07.2022.

### Preamble:

The KERC Commission has issued Amendments to CoS vide letter cited under reference (1) & (2), deleting the provision of requirement of Occupancy Certificate (OC) for availing power supply by the applicants/consumers. As per this amendment, furnishing of OC for availing power supply to buildings is not required.

However, deletion of requirement of OC in the CoS shall not be construed that the buildings can be constructed in gross violation of Municipal / other laws. In the case of buildings constructed in violation of such laws the applicants/consumers alone are responsible and sanction of power to such buildings cannot be treated as regularisation of violation of building laws.

In this regard, I am directed by the commission to intimate to all the Distribution licensees to mandatorily obtain indemnity bonds from the applicants/consumers, before arranging power supply.

Hence the Circular,

### Circular

In continuation to this office letter cited under reference (3), the applicants/consumers seeking power supply shall furnish undertaking through indemnity bonds to the Distribution licensees indemnifying them from all damages and claims, including costs of suit, original petitions and all kinds of legal or other proceedings that the Distribution licensees may incur or likely to incur on account of arranging power supply. This shall come into force from the date of publication in the official Gazette of Karnataka. The copy of the amendment and letter notification is enclosed herewith for reference.
